5+1 Year Internship

WELCOME TO

Jalalabad International University (JAIU)

Jalalabad International University (JAIU) offers a specialized MBBS program that provides students with comprehensive medical education. The course is designed to equip aspiring doctors with the necessary skills and knowledge for a successful career in medicine. With an emphasis on hands-on clinical experience, students gain access to world-class facilities, including a well-equipped medical center, to ensure practical learning. The university focuses on providing a diverse and supportive environment for international students, preparing them to excel globally in the healthcare sector.

We welcome students from around the world to its MBBS program, providing an enriching educational experience in a diverse, multicultural environment. International students benefit from personalized support, including assistance with accommodations and integration into campus life. With cutting-edge medical facilities and experienced faculty, JAIU ensures that students receive a world-class education while preparing them to become skilled medical professionals ready to work globally.

” *Medicine is not just a profession; it's a passion for learning, healing, and making a difference.*

OUR LEADERSHIP

Under the best leadership, the university has made significant strides in offering world-class medical programs, supporting students' academic growth, and preparing them for successful careers in medicine. Commitment to excellence ensures that students receive the best resources and guidance to become skilled medical professionals.

Rector

Dr. Narbaev Mirsadyk
Rakhimberdievich

At Jalalabad International University, we are committed to providing exceptional medical education that empowers students to excel in the field of healthcare.

Under my leadership, we offer a comprehensive MBBS program that combines academic rigor with practical, hands-on experience. Our students benefit from state-of-the-art facilities and a dynamic, international environment that fosters growth and collaboration.

We believe in developing well-rounded healthcare professionals who can lead and innovate globally. Our diverse and inclusive campus ensures that every student receives the support and resources they need to succeed in their medical journey."

**The journey of a thousand miles
begins with a single step.**

We empower students with the knowledge and skills to become compassionate, skilled professionals, ready to lead in the ever-evolving field of healthcare."

DEAN

Dr. Astanov Shavkatbek Mominzhanovich

"Welcome to Jalalabad International University's Medical Faculty. As Dean, I am honored to guide an institution dedicated to delivering top-notch medical education that blends theory with practical experience.

Our MBBS program is designed to equip students with the skills and knowledge needed to excel in the global healthcare arena.

With a focus on innovation, compassion, and excellence, we aim to produce doctors who are not only proficient in their field but also compassionate professionals who will contribute to the well-being of societies worldwide."

– Dean, Jalalabad International University

OUR TEACHER'S TEAM

Our teaching team at Jalalabad International University consists of highly qualified and experienced professionals dedicated to providing top-tier medical education. With a commitment to fostering academic excellence, our faculty members bring a wealth of knowledge and practical experience to the classroom.

They are passionate about guiding students on their journey to becoming skilled and compassionate doctors, ensuring that each student receives personalized attention and the highest standard of education. Our educators are integral to shaping the future of healthcare leaders worldwide.

OUR MISSION

At JaiU, our mission is to provide a transformative educational experience that nurtures **academic excellence, holistic development, and innovation**. We empower students with the knowledge, skills, and values necessary to become leaders in their respective fields and make a positive impact on society. **By fostering advanced learning, cutting-edge research,** and a supportive community, we are committed to shaping the future of education.

OUR VISION

Our vision is to be a globally recognized institution that nurtures intellectual growth and inspires transformative change. We aim to create a **dynamic learning environment** that encourages critical thinking, creativity, and ethical leadership. **By combining traditional education with modern methodologies,** JaiU strives to produce graduates who are well-equipped to meet the challenges of a rapidly evolving world and contribute to the betterment of society.

ABOUT OUR FACILITIES

At JaiU, we pride ourselves on providing a comprehensive and supportive environment for students to excel in their medical education. With regular hospital practice to enhance clinical skills, a mess catering to international students with Indian and South Asian cuisines prepared by regional chefs, and safe, fully furnished hostels with separate reading rooms for boys and girls, we ensure a comfortable and focused living experience.

HOSPITAL PRACTICE

Regular hands-on training in affiliated hospitals to enhance clinical skills.

EXPERT FACULTY

English-speaking medical professors from India, Bangladesh, and Nepal to provide top-notch education

SAFE AND COMFORTABLE HOSTELS

Fully furnished accommodations with separate reading rooms for boys and girls.

MESS FACILITIES

Specially designed for international students, offering Indian and South Asian cuisines prepared by regional chefs.

Safest Environment

JaiU ensures 24/7 security with CCTV surveillance and professional guards, providing peace of mind to students and parents. Separate, secure hostels for boys and girls, along with a zero-tolerance anti-ragging policy, create a safe atmosphere.

On-Campus Hospital

Students gain direct clinical exposure at our fully operational public hospital on campus. This proximity allows for real-time learning and application of theoretical knowledge.

Language is No Barrier

At JaiU, we provide a multilingual environment with English as the primary medium of instruction, ensuring global accessibility. Our faculty and staff are proficient in Indian and international languages, communication is seamless for all!

Smart Library

The library features a blend of digital and physical resources, including books, journals, and e-learning tools. It supports in-depth research and fosters a culture of self-learning among students.

Sports & Recreation

We provide excellent facilities for fitness and recreation, including indoor and outdoor sports, Jalal-Abad Premiere League like tournament. These amenities help students maintain a balanced and healthy lifestyle alongside their rigorous studies.

Transportation Facilities

Our transportation services offer convenient and secure daily commutes between the hostel and campus. With well-maintained vehicles and flexible schedules, students can rely on timely and hassle-free travel.

Festivals \ Events celebration

At JaiU, every festival is celebrated with enthusiasm and unity, from Diwali and Holi to Eid and Christmas, reflecting the multicultural spirit of our student community. We actively observe awareness days such as World Health Day, World AIDS Day, and Breast Cancer Awareness Month.

OUR Infrastructure

Modern Classrooms:

Equipped with the latest teaching aids, our classrooms provide a dynamic and interactive learning environment. The focus is on engaging students for better understanding and academic excellence.

State-of-the-Art Labs:

Our well-equipped laboratories are designed for practical learning and advanced research. They help students gain hands-on experience, bridging the gap between theory and practice.

Simulation Centers:

High-tech simulation centers offer a realistic training environment, allowing students to practice clinical scenarios safely and effectively. This prepares them for real-world medical challenges.

Sports Grounds:

JaiU features expansive sports facilities to encourage physical fitness and recreation. Students can enjoy a variety of indoor and outdoor sports, promoting a balanced and healthy lifestyle.

Auditorium:

The spacious and modern auditorium serves as a venue for academic events, seminars, cultural activities, and student gatherings. It fosters collaboration and community building.

ADMISSION PROCESS

Our admission intake occurs twice a year, providing aspiring students the opportunity to join during the Spring (February) or Fall (September) sessions. This ensures flexibility for applicants from diverse academic calendars worldwide.

Eligibility Criteria:

- ✓ Completion of 10+2 with a minimum of 50% in Physics, Chemistry, and Biology (40% for reserved categories).
- ✓ A qualifying score in NEET (National Eligibility cum Entrance Test) is mandatory for medical programs.

Step to Get Admission:

- ✓ **Step 1:** Fill out the online application form on the official university website.
- ✓ **Step 2:** Submit required documents, including academic certificates, passport copy, and NEET scorecard.
- ✓ **Step 3:** Receive the offer letter upon meeting eligibility criteria.
- ✓ **Step 4:** Complete the visa application process (for international students) and prepare for your journey to the university.
- ✓ **Step 5:** Pay the admission fees to confirm your seat.
